

Enroll Your Child in Preschool Now!

Did you know that a child's brain is 90% developed by age 5?

Take advantage of our free preschool program which offers the following:

- Interactive preschool story times via zoom
- Materials for hands-on home learning are provided for each child
- Caregiver resources to provide you with ideas & activities to support your child's development
- Technology assistance provided based on family needs
- Caregiver workshops available

Sign up for a virtual preschool screening to determine placement now!
