# SCHOOL AGE CHILD CARE PAV YMCA

## ENRICHING KIDS INSIDE & OUT

Our staff provides a wide variety of daily activities during before/after school care and school's out days! We focus on education through STEM and reading, empower creativity with art, encourage physical activity with sports and swimming, all while instilling the YMCA core values of caring, honesty, respect and responsibility. Staff are also trained in American Red Cross CPR/AED/First Aid and Child Abuse/Bullying Prevention.

## BEFORE & AFTER SCHOOL CARE (K+)

The Pav YMCA partners with the local school district to provide high-quality before and after school child care. Children participate in arts & crafts, sports, group games and receive homework help. A healthy snack is served each day. Care is offered every full day of school for Berwyn South School District 100.
